

## Jackson-Milton College Credit Plus (CCP)

**Can I Participate?** If you are a student in grades 7-12 you can apply for College Credit Plus admission to a public or participating private college. The college will admit you based on your college-readiness in one or more subject areas.

**How Do College Courses Earn Me High School Credit?** College Credit Plus allows high school students to earn college credit and apply that credit toward their high school graduation requirements (Example-5 elective units, one of those units could be a General Psychology College Class). Successful completion of a three or more credit-hour college course will result in 1.0 Carnegie unit earned at the high school.

**How Are High School Graduation Requirements Affected?** High school graduation requirements will not be waived as a result of participation in College Credit Plus. You will not receive a diploma until after the course is successfully completed and the graduation requirement is met. College Credit Plus (CCP) does not replace the requirements to earn a high school diploma. This includes earning 18 points or more on the graduation tests. Even if you are enrolled in college courses, you must take the end-of-course exams in English I, English II, Algebra I and Geometry.

**Where Can I Take College Classes?** Some college courses under College Credit Plus may be offered at your high school. You may also travel to the college where you have been admitted or enroll in one or more online courses offered by that college.

### **Will College Credit Plus Grades Appear on My High School Transcript?**

Yes. High school credit awarded for courses successfully completed under College Credit Plus will satisfy or exceed the graduation requirements and subject area requirements of the school district. Courses successfully completed under College Credit Plus must be listed by course title on the high school transcript.

**How Does College Credit Plus Impact Athletic Eligibility?** If you are a student athlete, you must remain eligible in accordance with the Ohio High School Athletic Association (OHSAA) bylaws. To be athletically eligible, students must be passing five, one credit courses or the equivalent per grading period with the high school and college courses combined. Most College Credit Plus courses taken during a semester will equal one Carnegie unit

**What Are My Academic and Social Responsibilities?** You will be expected to follow the rules and regulations set by the college/university. You will also be expected to follow the rules and regulations set for high school students detailed in the student handbook.

**What Courses Are Available through College Credit Plus?** Once you are admitted to a college for College Credit Plus, you may take any course in the college's course catalogue that is not remedial or religious, and that applies toward a degree or professional certificate, in a subject area in which you are college-ready.

### **Who Pays for College Admission, Textbooks, Fees, and Transportation?**

Students attending a public college will not be charged for tuition, books, or fees. Responsibility for transportation rests with the student.

**What If I Fail a Class?** Classes failed or withdrawn with an "F" will receive an "F" on the high school and college transcripts and will be computed into the high school and college GPA. If you do not receive a passing grade, the district will seek reimbursement for that college course. The school district will withhold grades, high school diplomas and credits received for high school courses taken until reimbursement has been made.

**Does College Credit Transfer After Graduation?** Many entry-level courses earned at an Ohio public college are guaranteed to transfer to any other Ohio public college. Credits earned at private colleges, or those that you want to transfer to an out-of-state institution, will be evaluated on a case-by-case basis by the institution you are seeking to attend. Go to [HTTPS://TRANSFERCREDIT.OHIO.GOV](https://transfercredit.ohio.gov) to learn more.

### **I Am Ready to Sign Up. What Are the Next Steps?**

\*By April 1, complete form notifying your school counselor if you intend to participate in College Credit Plus next year.

- You and your family should **contact colleges** for information, application forms, and criteria for acceptance into College Credit Plus.
- Prior to a student attending a CCP course, that a student believes to be the equivalency of a SPECIFIC high school course; forms must be completed and signed by student and guidance. (Example: The Algebra 2 requirement substituted for YSU math 1510)
- Register for classes and provide a copy of your schedule to your high school counselor.
