

## **BLUEJAY BOXTOPS FOR EDUCATION COLLECTION**

Help JM Elementary raise money for their school by participating in the Bluejay Boxtops Collection. Through collecting Boxtops for Education coupons on your favorite grocery items, you can help JMES raise close to \$2000.00 for our school each year. It's simple, just buy brands that have the Boxtops for Education pink coupon, tear it off, let them add up, and send in with your child. For those of you that don't have a child in the school, coupons can be dropped off in the office. Each coupon is worth 10 cents each or some products give bonus coupons worth more! Each one saved adds up fast and each little bit helps.

Thank you for participating,

Dianne Householder, Boxtops Coordinator, 330)538-2257

**\*\*We will be running a contest for 3 elementary classrooms to win a party!**

**Here are some saving tips:**

- ***Look on every box and bag of products you buy for a pink***

***coupon, tear it off.***

- ***Keep a container or bag to place them into, once a bunch accumulates, send them in to JMES***
- ***Label the baggie or envelope with child's name, teacher or homeroom number...it also helps to label the amount***
- ***Have friends and relatives save also***
