

The Inaugural *Coder's Box* Camp

What is Coder's Box?

Coder's Box is a programming camp run by students from Youngstown State University's Computer Science and Information Systems Department and the YSU Association for Computing Machinery. Its goal is to introduce students to Computer Science.

What will students be doing?

- Learn programming concepts and skills.
- Write code on Raspberry Pi computers. (A credit card sized computer!).
- Write code to control robots and other gadgets.

Cost: \$60 (All proceeds go to items the students can keep!)
Students can take their Raspberry Pis home when the camp is finished!

Food: Students must bring their lunch on each of the camp days.

When: July 31st - August 4th 2017 (8:00 am - 3:00 pm)

Where: Jackson Milton High School

Sign up: Fill out the attached form or visit <http://bit.ly/2nfy24q>

Payment: Cash or Checks accepted. Make checks payable to "YSU ACM-W". Label envelope that contains the payment with student's name. All checks are due to your home room teacher by June 2nd.

Limited Seats Available! Sign Up Soon!

Coder's Box Application Form

Return form by June 2 to your home room teacher

Student Information:
