

The time is approaching for everyone's favorite event...group picture day!

***NOTE there is a change in time from previous years:**

Mr. Vega has selected **Thursday March 28 for this event.** The start times will be slightly different this year due to photographer availability.

The **ALL SENIOR picture will take place at 1 pm this year** when the photographer arrives (it has been 8 am in previous years) We will also be taking an MCCTC group picture that will include juniors and seniors attending the career center. Please let me know if you are involved in any other JM-based clubs or groups and I will wait to take those pictures until you arrive.

You will be released from MCCTC at 12:45 pm to come to JM (a bus will be available to bring you to JM if needed) You will **sign in** in the JM office and then go to the gym. Seniors will also need to fill out their Senior Surveys and vote for Class Favorites during this time. Once all activities/pictures have been completed, Mr. Vega will release the students to go home.
