

## DID YOU KNOW

that socks are the most in demand but least donated item at shelters across the United States?????

Mrs. Vega, along with the Class of 2017 is challenging Jackson-Milton students to participate in SOCKTOBER, a 'national sole warming movement'. The socks will be given to the Alliance Domestic Violence Shelter in Alliance, Ohio.

**YOU CAN HELP!** Bring in a pair of new socks in any size to donate. Elementary students who donate will be put into a drawing to win FREE BOOKS from the November Book Fair. The Middle/High school home room with the most donations will have a doughnut party.
