**Experience:** **No prior wrestling experience is required.** Instruction will focus on and emphasize basic wrestling techniques and skills. Wrestling is a “building block” sport. **Developing strong basic skills is crucial in order to master more advanced techniques.**

**Competition:** **-Starting on December 2<sup>nd</sup>,** matches with area youth wrestling programs are held at **Austintown Fitch High School.** These matches usually include 10-12 other teams, affording wrestlers multiple wrestling opportunities. These matches are held on either Sunday mornings or early afternoons. \*Schedules TBA

-Wrestlers will have the opportunity but are not required, to compete in open tournaments. These events usually take place on Saturdays, and require a separate fee. (usually \$20.00) There are a large number of wrestlers at these tournaments and competition for all levels of experience. In order to be competitive in this sport, getting as much “mat time” as possible is needed. While it is not required, attending as many open tournaments as possible is highly recommended. Our youth coaching staff will hand out forms for anyone interested in attending these tournaments the week prior and **will be present for these tournaments.**

**Format:** In practice and during competition, wrestlers are generally matched according to their weight and experience level.

**Equipment/Costs:** We have tried to keep the cost down in recent years while putting money back into the program for buying shorts, t-shirts, uniforms, upkeep of our facilities, paying league entry fees, tournament entry fees, program insurance, state expenses, home meets, and our end of the year party and gift for the wrestlers. **Your effort to participate in our fundraising is greatly appreciated.** All money raised goes DIRECTLY back to our **WRESTLING PROGRAM!!!**

**Wrestlers will receive a warm-up that they will keep!.** All shoes, headgear, and kneepads need to be purchased, as they **ARE NOT** supplied.

### SINGLETs WILL BE ISSUED AND NEED TO BE TURNED IN AT THE END OF THE YEAR!

\*if singlet is not turned in, borrower will be charged full cost of the singlet and will not receive one the following year until payment is made

Wrestling is an exciting sport. ***It gives kids an opportunity to develop self-confidence, discipline, and teamwork while enhancing physical and mental conditioning.*** Wrestling is also very challenging and requires hard work, commitment and dedication. ***Parental support throughout the season is strongly encouraged and appreciated.*** **We expect all parents to help out at our home events especially our annual high school tournament (this year's date 1/5/19.)** You will also be asked to make a donation for this event. **You are part of an extremely successful program here at Jackson-Milton that has GREAT TRADITION. It works because we all work together (K-12) to provide a great experience for our student athletes.**

## **We look forward to an exciting season!**
